Request For Bid Proposal:

Notice is hereby given that the Southwest Preparatory School District (SWPSD) will accept bid proposals from qualified vendors for Cellular Telephone, Cellular Internet, and Internal Connections request.

Specifications and bid proposal documents may be obtained by World Wide Web (www.swwf.org) or can be emailed upon request. Bids must be sent to the Northeast campus on or before 5pm, February 9, 2010 we require 2 original paper copies and one electronic copy of the RFP sent to erate@swwf.org please title emails as RFP E-Rate 13 2010-2011.

All work pursuant to this contract shall be contingent upon receiving 2010-2011 E-Rate Funding. In the event of lesser funding the Southwest Preparatory School District may accept all or parts of this proposal or awarded contract(s), at the discretion of the Southwest Preparatory School District a notification will be sent to the selected vendor(s) by mail to notify them of these changes.

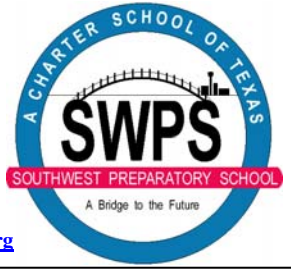

Note: It is the total responsibility of the Vendor to return bids to the Southwest Preparatory School District by the required date, time, and place. The Southwest Preparatory School District office is opening daily between 8:00 A.M. and 5:00 P.M. Monday thru Friday and closed holidays and weekends.

The Southwest Preparatory School District reserves the right to accept or reject any or all bids or any items therein, to waive any irregularities or informalities, and to contract in the best interests of the Southwest Preparatory School District.

Reagan Short

District

Terminal Servers *projected discount 90%*

We need 3 blade server systems that will allow for 350 simultaneous users on a terminal server setup. We currently are using HP servers. We are also looking for a Compellent style SAN system for each campus terminal server. We need the hardware, backup hardware and software for this solution.

Website *projected discount 90%*

We are looking for a vendor to provide webhosting for our district our current website is www.swprep.org. We need support for 4 campuses and 2 district sites.

Basic Maint *projected discount 90%*

We are looking for smartnet on all allowed devices, HP care packs for all allowed devices, cable warranty, and basic network maintenance.

Cellular Service/Internet non Blackberry Email *projected discount 90%*

We currently have 45 devices and we need cellular service that is compatible with iPhones. We also have a total of 60 devices that will need cellular internet non Blackberry internet service and is iPhone compatible.

Video Conferencing *projected discount 90%*

We are looking for a video conference system to connect our 4 campuses in the classroom and in the conference rooms. We also need to be able to have a solution that would allow up to 20 users to be at their desktop in the offices for meetings. We would like something that is also compatible with the TETN and TEA video conference streams.
